Let our street lights shine

Summer is here and everything is growing in abundance. Please can you ensure that vegetation such as trees, shrubs and hedges from your property or land does not obscure street lighting so that the lights can shine effectively onto the highway.

DID YOU KNOW that all Town Council owned street lights have a number on them. If you notice a streetlight is not working make a note of the number on the column and the street name, then contact the Town Council via 01959 562147 or office@westerhamtowncouncil.gov.uk, and we will get the fault fixed.

Thank you for your support with this matter.
