We want to hear from you: What matters to you in Westerham? What would make Westerham a better place? How can the Town Council help?

These are the questions the Town Council is asking as it puts together its strategy and plans for the next four years. Those who came to the Summer Fayre in mid September gave their thoughts to us and now the Council wants to make sure that everyone in the town has the chance to give their views.

So, in this edition of TN16 you'll find a postcard asking you to list the top three ideas you have to make Westerham a better place to live, work or visit. Fill it in and pop it back to the Council Office, email your ideas to office@westerhamtowncouncil.gov.uk or fill in our on-line survey <https://www.surveymonkey.co.uk/r/TFGV8RM> or scan the QR code below which will take you directly to our survey to complete. We need your thoughts by 22 November so we are able to take your suggestions into account when we put together our plans and budgets between now and 2023!
