Message from the Chairman

It is wonderful to see our town waking from its long hibernation. What a difference to see people sitting out on The Green, walkers kitting themselves out in the car parks, shoppers returning to our shops! We welcome some new businesses while sadly saying farewell to others. We are a hardy race – despite the unseasonably cold weather we have wrapped ourselves up to sit outside to meet our friends. We are proud of our town and want it to look its best for us and for our visitors. So a huge thank you to all those who turned out to help in our first litter pick and to those who regularly keep 'their' bit of Westerham clean and tidy.

We look forward to the future with confidence, anticipation – and some caution too: the 20mph limit through the town should be in place later this year, as will the one way system round The Green; the pandemic-delayed expansion of parking spaces will start and most ambitious of all the long awaited development of King George's Field will take its first tentative steps.

We trust that the worst days are behind us and that we become used to 'the new normal' – different from, but still recognisable as 'the old.'

Helen Ogden
