## Message from the Chairman

There are only a certain number of ways to talk about uncertainty and over the past months I have used all of them! So it is wonderful to feel that we are on the way to a new normal. Although restrictions have been lifted, most people continue to behave with caution and respect for each other. We are learning to live with the virus which has dominated our lives for the last eighteen months.

Our traditional events are beginning to return. The Summer Family Fun Days have been a great success: our organisations and clubs are gradually resuming their activities. And on 18<sup>th</sup> September we will come together as a whole community on The Green to enjoy Westerham's Country Fayre. Organised by the Town Partnership and including the Horticultural Society's Annual Show, it is supported by your Council, the Westerham Society and Edenbridge and Westerham Rotary Club. Put the date in your diary and have a look at the poster opposite to see what excitement is in store.

Your Council will be there. We'd particularly like to talk to you about King George's Field. It is a fabulous asset whose value we have seen during the pandemic. We've been thinking about possibilities for its future and would like to start to get your views. This will be a long term project needing high levels of funding. But we'd like to make a start!
