

'DESIGN A LIGHT'

TASK

Using your knowledge of Christmas customs and traditions, design a Christmas motif, able to be included in the 'Westerham Christmas lighting display'.

Your design drawings will then be made into a rope light motif and displayed in the Town centre.

Choose simple shapes and ideas, which can easily be adapted into an outlined motif. For example: Angels, Candles, Bells, Snowflakes, Snowmen and look at the list already provided.

This is just an example, so please use your imagination.
