Document Overview

Purpose - this document is designed to ensure that the Town Council meets its requirements to:*

- maintain an adequate system of internal control, including measures to prevent and detect fraud and corruption, and review its effectiveness
- assure members there are no matters of actual or potential non-compliance with laws, regulations and codes of practice which could have a significant financial effect on the ability of the Council to conduct its business or on its finances
- carry out an assessment of risks facing the Council and demonstrate how these are managed, including appropriate internal controls
- maintain an adequate and effective system of internal audit of the Council's accounting records and control systems and review their effectiveness.

**Reference Governance and Accountability for Local Councils A Practitioner's Guide 2021 (England)*

How to use this document - this document should be used to understand:

- the internal governance controls
- the various types of identified risks together with potential for improvements
- any actions identified to mitigate risks and/or improve internal controls
